This employee Personnel Manual will provide you with some of the information you will find helpful as an employee of the Potosi School District. It is important that you be familiar with and understand the information contained in this Personnel Manual.

This Personnel Manual is provided for informational purposes only and is intended to provide a general overview. Nothing in this Personnel Manual is to be interpreted to create an express or implied contract, covenant, promise or representation between the District and you. There is no employment agreement intended or implied by this Personnel Manual.

The Board reserves the sole right to add, change, withdraw, or revoke any or all policies or practices at any time for any reason, with or without advance notice.

Where benefits and other specific matters are addressed in any written employment contract signed and approved by the Board or its authorized designee, they are governed by the contract to the extent it applies. Except where there is express language in a contract that conflicts with the language in this Personnel Manual, this employee Personnel Manual supersedes and replaces any and all previously stated policies and practices, oral or written representations, or statements of the District including, but not limited to, those contained in any Personnel Manuals, Personnel Manuals or correspondence.

This Personnel Manual is intended to be used and read in conjunction with existing Board policies. While a number of Board policies are expressly included or referenced in this Personnel Manual, the fact that other policies are not specifically included or referenced in this Personnel Manual does not affect their applicability or enforceability.

The District is an equal opportunity employer. No person shall be denied employment or promotion on the basis of race, religion, creed, age, sex, national origin, race, ancestry, sexual orientation, handicap, disability, military status or any other basis prohibited by law.

All employees are expected to conduct themselves in a professional manner at all times.

DISTRICT EXPECTATIONS

The District expects its employees to produce quality work, maintain confidentiality, work efficiently, and exhibit a professional and courteous attitude toward other employees, parents, and students. The District expects employees to comply with all applicable Board policies, work rules, job descriptions, terms of this *Personnel Manual* and legal obligations.

The District expects employees to comply with the standards of conduct set out in Board policies, this *Personnel Manual*, administrative regulations, and with any other policies, regulations and guidelines that impose duties, requirements or standards attendant to their status as District employees. Violation of any policies, regulations and guidelines may result in disciplinary action, including termination of employment.

The following delineation of employment practices is for informational purposes and is not intended to be an exhaustive list of all employment expectations that may be found in other applicable Board policies, work rules, job descriptions, terms of this *Personnel Manual* and legal obligations.

ATTENDANCE

The District expects employees to make every effort to be present for work. Employees are expected to adhere to their assigned schedule. In order for the schools to operate effectively, employees are expected to perform all assigned duties and work all scheduled hours during each designated workday, unless the employee has received approved leave. Breaks and meal periods may only be taken during times designated by the employee's supervisor/building administrator and as further specified in other parts of this *Personnel Manual*. Any deviation from assigned hours must have prior approval from the employee's supervisor/building administrator. Employees who are unable to report to work shall follow the applicable procedures for reporting his/her absence. Any time spent not working during an employee's scheduled day must be accounted for using the appropriate reasons as defined in the *Leaves* section of this Personnel Manual. The District will monitor attendance and absence patterns. Theft of time and/or improper modification of time worked records will be investigated and will result in disciplinary action up to and including termination. Failure to notify the District of an absence and failure to report to work or to report on time on such day could result in disciplinary action up to and including termination. Failure to return to work the day following the expiration of an authorized leave of absence may result in termination of employment.

CHILD ABUSE REPORTING

- A. Wisconsin law requires all employees of Wisconsin public school districts to report suspected child abuse and neglect. In addition, school boards are to ensure all employees receive training provided by the Department of Public Instruction within six months of initial hiring and at least every five years thereafter.
- B. A person required to report shall immediately inform, by telephone or personally, the applicable District administrative personnel and the county department of the facts and circumstances contributing to a suspicion of child abuse or neglect or of unborn child abuse or to a belief that abuse or neglect will occur.

COPYRIGHT

A variety of machines and equipment for reproducing materials to assist staff in carrying out their educational assignments are available to staff in both the school and home setting. Infringement on copyrighted material, whether prose, poetry, graphic images, music audiotapes, video or computer-programmed materials, is a serious offense against federal law, a violation of Board policy and contrary to ethical standards required of staff. All reproduction of copyrighted material shall be conducted strictly in accordance with applicable provisions of law. Unless otherwise allowed as “fair use” under federal law, permission must be acquired from the copyright owner prior to reproduction of material in any form. Employees are further advised that copyright provisions apply to all forms of digital media. Questions regarding copyright shall be directed to the District Administrator.

CRIMINAL BACKGROUND CHECKS

All District employees are subject to criminal background checks and any new employees will be subject to criminal background checks.

FALSE REPORTS

Employees may be disciplined for filing false reports or statements including but not limited to the following: accident reports, attendance reports, insurance reports, physician’s statements, pre-employment statements, sick leave requests, student records, tax withholding forms and work reports.

INVESTIGATIONS

- A. Expectation of Cooperation: In the event of a District investigation or inquiry, every District employee has an affirmative duty to provide to his/her supervisor(s) or any other District official assigned to investigate all relevant and factual information about matters inquired except as provided for below in paragraph “B”. Employees failing to volunteer such information shall receive a directive from an administrator to provide a statement. The employee’s failure to comply with the directive may constitute “insubordination,” a violation that may result in disciplinary action up to and including termination.
- B. Investigation interplay with potential criminal conduct: If the alleged misconduct may constitute criminal conduct by the employee, the employee may be provided a *Garrity* warning. *Garrity v. New Jersey*, 385 U.S. 493 (1967).
- C. Administrative Leave: The District may place an employee on paid administrative leave during an investigation into alleged misconduct by the employee.

LICENSURE/CERTIFICATION

Each employee who is required to be licensed or certified by law must provide the District with a copy of the current license or certificate to be maintained in his or her personnel file. Personnel files can be found in the School District Office. Employees are expected to know the expiration date of their license/certification and meet the requirements for re-licensure or certification in a timely manner. A teaching contract with any person not legally authorized to teach the named subject or at the named school shall be void. All teaching contracts shall terminate if, and when, the authority to teach terminates.

PERSONAL PROPERTY

Liability: The District does not assume any responsibility for loss, theft or damages to personal property. In order to minimize risk, the District advises employees not to carry unnecessary amounts of cash or other valuables. If employees bring personal items to work, they are expected to exercise reasonable care to safeguard them. The District is not liable for vandalism, theft or any damage to cars parked on school property. This includes any potential damage occurring during a police search of district buildings and grounds. The District carries no accident insurance or other insurance coverage for any loss or injury for which the District does not have legal responsibility.

Search of Personal Effects: Employees should have no expectation of privacy to items contained in plain view, for example, but not limited by enumeration to automobiles parked on the District's property, items left on top of or within desks and cabinets, lockers, etc. Items not in plain view and contained within personal property, e.g. purse, satchel, wallet, coat, backpack, etc., may be searched in accordance with applicable state and federal law.

PERSONNEL – STUDENT RELATIONS

All District personnel will recognize and respect the rights of students, as established by local, state, and federal law. Employees shall, at all times, maintain a professional relationship and exhibit a professional demeanor in their interactions with students. Further, employees shall refrain from engaging in any actions or conduct of a sexual nature (verbal or physical) directed toward a student, including, but not limited to, sexual advances, activities involving sexual innuendo, or requests for sexual favors or sexually explicit language or conversation. Employees shall not form inappropriate social or romantic relationships with students, regardless of whether or not the student is 18 years old. Employees shall not use profane or obscene language or gestures in the workplace.

The Board fully supports the right and desire of teachers to maintain a proper disciplinary atmosphere in all classrooms. The Board further realizes that this is necessary if students and teachers are to realize maximum effectiveness in the cooperative goals of educational excellence.

POLITICAL ACTIVITY

Employees are free to engage in political activity outside of work hours and to the extent that it does not adversely affect the performance of job duties, working relationships or District operations. When engaging in political activity or engaging in discussion of issues of public importance, employees are expected to ensure that their actions and positions are not attributed to the Employer. Employer resources may not be used for promoting a particular candidate or political party or for advocating a particular position on an issue that has become identified as the viewpoint of a particular candidate or party.

Definition of “Employer Resources”: Employees may not use employer resources for political activities. Employer resources include office supplies, electronic equipment including e-mail, facsimile and photocopying machines, bulletin boards and other public spaces (Use of bulletin boards requires authorization of the building principal and is off-limits to public use).

Definition of “Political” Activities: Partisan “political” activities must be conducted independent of your role as an employee. The following guidelines are not exhaustive, but are intended to help in differentiating between those activities that may be viewed as harmful to workplace functioning and those activities that generally fall outside the “political” activities subject to employer restrictions and intervention.

Employees are expected to avoid the following political activities:

- Using working hours or employer resources to solicit money or signatures or to make political contributions;
- Using non-work hours to solicit contributions, signatures or services from other employees who are on work time;
- Posting political materials in areas open to the public (generally, individual work stations that are not available to the public are exempted from this restriction);
- Using the employer’s mailing address as the return address for political solicitations;
- Providing employer mailing lists to any individual or organization for political solicitations if this information is not generally available to the public. (Note: the use and distribution of employer mailing lists to outside parties always requires prior authorization including an assessment of whether fees should be charged to cover production costs);
- Providing a forum for an individual candidate to promote his or her campaign without giving an equal opportunity to other candidates, for the same office, to participate in the forum;
- Political advocacy in the form of clothing items, armbands and buttons that cause a disruption in operations and/or violate the rights of others including the right to be free from discrimination, harassment and intimidation in the workplace

These guidelines are not intended to discourage discussion of controversial issues in the classroom, where such discussions are consistent with District curriculum guidelines and teaching methods.

This policy is not intended to limit the off-duty activities of employees where District buildings and property are made available to community groups for meetings and gatherings.

Nothing in this policy limits the rights of the District to sponsor non-partisan political forums or forums in support of District initiatives, such as building referendums. Nothing in this policy places restrictions on the District’s freedom to invite speakers with political associations to forums that are not open to the general public.

- c. Leave of 3 days or greater must be approved by the administration.

Any employee obtaining leave benefits by fraud, deceit or falsified statements shall be subject to disciplinary action including, but not limited to suspension or dismissal. If such conduct is suspected, the District may require a physician's statement to verify personal or family illness.

Paid sick leave will be prorated for part-time Class I employees and Class II C employees based on the percentage of full-time employment worked. No paid sick leave will be available to Class III employees. Leave must be used in 1-hour increments except where otherwise required by Family and Medical Leave laws.

Class I employees shall be paid an amount equal to half the current substitute teacher pay for any sick leave days accumulated beyond ninety (90) days or for any unused accumulated days (upon termination of employment) provided the teacher has been employed by the district for a period of four (4) or more years. The payment shall be made by the District on or before September 1st of the following school year provided the employee has settled all financial obligations with the District.

Vacation

Vacation allowance for Class II A employees accrues on the basis of 1/12th of the annual vacation allowance for each month of employment commencing each July 1. Annual vacation is based on the following schedule:

Employment <u>Year:</u>	Vacation entitled to be taken during <u>Year (July 1 – June 30)</u>
1	1 Week
2 thru 7	2 Weeks
8 thru 14	3 Weeks
15 thru 30	4 Weeks
Over 30	5 Weeks

Vacation for part-time employees is prorated accordingly from July 1 through June 30. Employees may take vacation as approved even if it has not yet been earned up to the yearly maximum. Vacation taken in excess of what is earned must be paid back to the district at daily rate of pay if the employee separates from the district during the contract year.

*If holidays fall on a weekend, the employee will have either the work day before the weekend, or the work day after the weekend at the direction of administration.

Jury Duty

All employees summoned for jury duty shall, at the employee's option, receive full pay while summoned for or serving on a jury on their regular work days up to 10 days per year. Any employee, who exercises this option to receive full pay, must turn in to the District any compensation, excluding any mileage or meal allowance, received for such duty.

Military Leave

Employees shall be granted military leave in accordance with applicable federal and state laws.

Family and Medical Leave

It is the policy of the Potosi School District to comply with all applicable state and federal laws concerning child-rearing, personal illness or family illness leave.

Leaves provided by the District, which are taken for the same reasons as leaves covered by the FMLA, are not in addition to leave provided under the FMLA. If leave qualifies for family or medical leave under both the federal and state laws, the leave used counts against the employee's entitlement under both state and federal FMLAs concurrently. Leave covered by the FMLA will be deducted from the annual entitlement under the FMLA.

If an employee is eligible for leave under the Federal Family and Medical Leave Act, the District will require the employee to substitute any earned or accrued vacation or personal days to which the employee is entitled, for child rearing or family illness leave provided under the Federal Law and thus convert the unpaid leave into paid leave. Also, the District will require employees to substitute any sick leave to which the employee is entitled, for personal illness leave provided under Federal Law, and thus convert the unpaid leave into paid leave. When paid leave is substituted for unpaid leave under Federal Law, the substitute leave will be counted as leave taken under the Federal Law.

Unpaid Leave of Absence

Approval of leave without pay is dependent on circumstances in each case. The basic purpose of leave without pay is to preserve an employee's continuity of service through emergency or necessary periods of absence. Leave of absence without pay must be approved by the Potosi School Board prior to taking the leave. No benefits, paid leave, vacation or seniority accrue during a leave of absence.

Generally, unpaid leaves of absence exceeding thirty (30) days will only be granted as a reasonable accommodation for a disability. The employer, at its discretion and expense and consistent with state and federal law, may require any employee to submit to a physical exam to determine the extent of an illness, or injury during a leave of absence for that purpose. An employee who exhausts his/her sick leave credits and family and medical leave and is still unable to return to work, may request an unpaid leave of absence for a period of no more than one (1) year.

Participation in the employer's insurance and other benefit programs can be continued during unpaid leaves of absence provided the employee reimburses the District for any premiums and further provided continuation is permitted by the carrier.

WORKER'S COMPENSATION

The District provides Worker's Compensation in conformance with state law.

EXPENSE ALLOWANCES

Expense allowances will be granted only upon authorization of District Administrator. The employee shall present itemized expense accounts accompanied by the appropriate receipts. Expense allowances for the use of personally owned automobiles shall be reimbursed at a rate established by the IRS.

Fees for authorized or required attendance at conferences or other programs will be paid by the District or Personal In-service Committee per which entity approved the request. Cost of meals, hotel rooms, and other business related expenses adequately documented and approved will be reimbursed subject to board policy.

At the time the resignation is tendered, if subsequent to May 31, teachers shall submit a check for liquidated damages according to the following schedule:

VI. PERSONNEL RECORDS / PERFORMANCE REVIEWS / EVALUATIONS

PERSONNEL RECORDS

The Potosi School District is responsible for the custody and maintenance of all personnel-related information concerning employees, including:

- * Employee Applications
- * Job Descriptions
- * Employee Evaluations
- * Employee Grievances
- * Employee History
- * Employee Benefits
- * Employee Work Records
- * Social Security Number
- * Tax Records
- * Other Pertinent Information

Information contained in an employee's personnel file is considered a public record unless otherwise provided by law or in the event it is determined that an employee's interest in privacy outweighs the public's interest in disclosure of a specific record.

The employee's file will be made available upon request by the employee; but such access shall be under close supervision to assure that the file is not altered. Memoranda concerning poor performance or misbehavior will be directed to the employee and discussed with the employee prior to insertion in the official personnel file. Documentation of a verbal counseling session is acceptable if a copy of the documentation is directed to the employee and also a copy sent to the official personnel file.

Employee records will be updated as necessary.

EMPLOYEE EVALUATIONS

Employees will be evaluated by their supervisor on the prescribed forms adopted by the Board. The Board has adopted the CESA 6, Dr. James Stronge, Educator Effectiveness Model to evaluate teachers, principals, and education specialists. Support staff will be evaluated by their supervisor, who will review the evaluation with the employee. The employee will be given the opportunity to add written comments following the supervisor's evaluation. The employee will be asked to sign the evaluation. The employee may request a copy of the evaluation. The original of the evaluation will be filed in the employee's personnel file. Evaluations may be conducted at such times as may be deemed appropriate by supervisors or the Board.

EMPLOYEE NONRENEWAL, DISCIPLINE AND DISCHARGE

Unsatisfactory Performance:

Class I employees whose performance is deemed unsatisfactory may be non-renewed under the procedures described in Wis. Stat. sec. 118.22 and 118.24 or their employment may be terminated.

Class II and Class III employees whose performance is deemed unsatisfactory may be discharged at any time. This will be a function of the district administrator's responsibility.

In lieu of discharge or nonrenewal, the Board, or the Administration in their discretion, may elect to pursue other remedial options including but not limited to the establishment of performance plans, demotion, salary or wage reduction or attendance at conferences or programs intended to assist the employee in the performance of his or her responsibilities.

Misconduct

The disciplinary procedure for non-compliance with work rules, state laws or Board policy generally shall be as follows. However, depending on the severity of the offense, nothing in this policy prohibits the District from imposing greater or lesser discipline than that provided below or from pursuing remedial options similar to those described in the preceding subsection:

- (a) First offense—counseling and documentation in personnel file
- (b) Second offense--written reprimand
- (c) Third offense--suspension
- (d) Fourth offense--termination

VII. GRIEVANCE PROCEDURE

Grievances may be filed in accordance with the procedures described in this section with respect to discharge, discipline or issues pertaining to workplace safety. 1. Grievance: A complaint arising from termination, discipline or issues pertaining to workplace safety.

4. Days: Unless otherwise specifically stated, for purposes of this policy, shall mean calendar days. 6. Employee Discipline: Includes suspension (either paid or unpaid) or a reprimand that is placed in the personnel file. Employee discipline does not include: letters of performance expectations, or performance improvement plans, evaluations, or performance reviews of employees, transfers, demotions, or changes in job assignments, or placement on paid administrative leave such as during an investigation pending a decision leading to discipline.
7. Termination: Discharge from employment for rule violations, unsatisfactory performance or misconduct. Termination does not include: voluntary quit, layoff and/or workforce reduction, failure to be recalled from layoff, job abandonment (e.g., failure to report for work or return from a leave), resignation in lieu of discharge, termination due to lack of appropriate licensure, medical condition or other inability to perform job duties, end of employment of a temporary, seasonal or contract employee, retirement or nonrenewal under Wis. Stat. secs. 118.22 or 118.24.

For issues pertaining to workplace safety, the employee must first bring the safety concern to his or her immediate supervisor in writing within ten (10) days of the date on which the issue arises. The supervisor shall respond to the concern in writing within ten (10) days.

If the employee is not satisfied with the response, the employee shall file his or her grievance on the form provided by the District with the District Administrator within five (5) days of the date the supervisor's response was sent or given or, if no written response is received from the employee's immediate supervisor, within fifteen (15) days of the date of the filing of the concern with the immediate supervisor.

The District Administrator shall either refer the grievance to the grievant's building principal or other administrative supervisor (e.g., the Business Manager, HR Director, etc...) within three (3) business days of receipt of the grievance or shall, in his or her discretion, personally handle the matter. and / or the grievant's designated representative within ten (10) days after receiving the written grievance. The administrative supervisor or District Administrator shall respond in writing to the written grievance within ten (10) days of the meeting or, if the administrative supervisor or District Administrator determines that further investigation is warranted, at a later date as determined by the administrative supervisor or District Administrator but in no event later than sixty (60) days after receiving the written grievance. In the event an administrative supervisor has a grievance, he or she shall file the initial grievance, whether the grievance pertains to termination, discipline or workplace safety, with the District Administrator, who shall process the grievance utilizing the same timelines and procedures as are set forth above for grievances from other employees grieving discipline or discharge.

District Administrator

Grievances by the District Administrator shall be filed with the Chair of the School Board's Personnel Committee and the Committee shall exercise the same functions as are exercised by administrative supervisors or the District Administrator for grievances filed by other employees. The same timelines and procedures shall apply except that, if the District Administrator is not satisfied with the Committee's written response, the request for a hearing shall be filed with the Chair.

Consolidation of Grievances

In the event more than one employee files a grievance related to the same facts or subject matter, the grievances may be consolidated.

HEARINGS

Within fifteen (15) days of the District Administrator or Chair receiving the hearing request or the next regular Board meeting, whichever is later, the School Board shall appoint an impartial hearing examiner to hear the grievance. The impartial hearing officer shall be an attorney licensed to practice law in the State of Wisconsin or other individual with experience and expertise in public sector labor relations.

Upon appointment, the hearing officer shall set a hearing date, and inform both the employee and the District Administrator of the hearing date. If the District Administrator is the grievant, the hearing officer shall notify the Chair of the Personnel Committee. The hearing shall be held within thirty (30) days after appointment of the hearing officer. In the event of a bifurcated hearing, the first hearing shall be held within thirty (30) days after appointment of the hearing officer.

The hearing officer shall conduct the hearing informally and impartially in such manner as he or she deems best calculated to ascertain the correctness of the allegations of the grievance. The District may request bifurcation of the grievance if timeliness or other issues not relating to the merits of the case are in question. A record shall be made of the hearing in such form as the hearing officer determines is appropriate but shall, at a minimum, include an audiotape of the hearing and preservation of all written materials presented at the hearing.

The hearing officer will abide by the following guidelines:

1. Rules of evidence and procedure as applicable in civil and criminal cases do not apply. (Example: A second party may share what they heard, which could be considered “hearsay” in other legal proceedings.)
2. The scope of authority is limited to the issue in question of the specific case. A broad decision that would bring into play other policies and issues is not within the authority of the hearing officer.
3. The grievant shall have the burden of proof on all issues.

The hearing officer shall have the authority, after having heard whatever evidence he or she deems sufficient, to act as follows:

- a. Uphold the termination of the employee.
- b. Uphold the discipline imposed on the employee.
- c. Reduce the original penalty.
- d. Dismiss the grievance.
- e. In work safety cases, if the hearing officer determines that a safety hazard exists, the hearing officer may enter such orders as are reasonably necessary to remedy the safety hazard or, if the hearing officer determines that no safety hazard exists, may dismiss the grievance.
- f. In discipline and termination cases, if the hearing officer determines, based on an arbitrary and capricious standard, that the evidence does not support the disciplinary action taken or the termination, the employee may be reinstated, and the hearing officer may order that the employee be paid and/or reimbursed for all or part of his or her salary and benefits, may order that a letter, indicating that the disciplinary action was reversed and that the specific charge should not be considered in any future actions, be placed in the employee’s personnel file, or may order that the employee’s personnel file be expunged of all material relating to the discharge or discipline or any combination of the foregoing.
- g. The hearing officer’s decision shall be in writing and shall be served by first class mail upon the grievant and the District Administrator or Chair and representatives for the grievant and District, if any.

The grievant or, on behalf of the District, the District Administrator or Chair of the Personnel Committee, may appeal the hearing officer's decision to the School Board. Any appeal of the hearing officer's decision shall be made in writing on a form or forms provided by the District within fifteen (15) days of the date of the hearing officer's written decision.

The Board shall review the record of the hearing within thirty (30) days of the receipt of the appeal and issue a written decision within ten (10) days thereafter. The Board shall have the right to affirm, modify or overrule the hearing officer's decision in whole or in part or it may remand the grievance to the hearing officer with directives as determined to be appropriate by the Board. The Board shall not hold any hearing or accept any additional information or evidence on the grievance but shall base its decision exclusively on the record of the hearing. The Board may, in its exclusive discretion, permit written arguments to be filed by or on behalf of the grievant or District Administrator or Chair. If written arguments are permitted, the appeal timeline for review of the record shall be extended from thirty (30) to ninety (90) days.

The decision shall be served by first class mail upon the employee, the District Administrator or Chair, and their representatives, if any.

USE OF DISTRICT PROPERTY FOR PRIVATE PURPOSES

Employees of the District shall not use District property or equipment for their private use or for any other use than that which serves the public interest. The District stresses that employees use common sense and honesty in ensuring that District property, facilities and equipment are not used for personal gain or advantage. HARASSMENT AND OFFENSIVE BEHAVIOR IN THE WORKPLACE

Policy and Complaints

It is the policy of the District to maintain a respectful work and public service environment. The District prohibits, and will not tolerate harassing or offensive behavior by or towards any employee. Any employee of the District who engages in such behavior is subject to disciplinary action.

One specific kind of harassing or offensive behavior is sexual harassment. Sexual harassment, which can consist of a wide range of unwanted and unwelcome sexually directed behavior, is defined as:

Behavior prohibited by this policy can include unwelcome sexual remarks or compliments, sexual jokes, sexual innuendo or propositions, sexually suggestive facial expressions, kissing, touching and sexual contact.

Any person who feels he or she is being subjected to harassing or offensive behavior of any kind should feel free to object to the behavior and shall also report the behavior to his or her supervisor. Any supervisor who receives a complaint of discriminatory, violent or offensive behavior or who has reason to believe that such behavior is occurring shall report these concerns to the Principal.

Resolution of complaints can include, but not necessarily be limited to, an apology, transfer, direction to stop the offensive behavior, counseling or training, verbal or written warning, suspension with or without pay or termination. In the event that harassment or offensive behavior reoccurs, it should immediately be reported to the Principal.

Placement on the Extra Duty Schedule

New coaches and advisors to the District will be given credit for up to three years of outside experience.

Assistant coaches who move to the position of head coach in the same sport will be granted an experience level which allows them to maintain at least the level of salary received as an assistant.

Guidelines for insufficient staffing of an extra duty positions

- a. When (2) or more positions are designated for an activity, the district will not pay one person to assume the responsibilities for multiple positions at the combined pay of the positions.
- b. The district can choose to not honor an extra duty contract after it has been signed, with no liability, if the activity is being canceled due to insufficient staffing.
- c. An employee who has signed an extra duty contract may choose not to honor that contract, with no liability, if the designated number of positions for that activity has not been filled.

Insufficient Participation: The District permits activities and the contracts related to them to be canceled if there is a lack of student interest based on administrative approval.

SUMMER SCHOOL COMPENSATION

	Hourly rate
Teachers	\$25
Supervisors	\$15
Assistants	\$10

Teachers: Compensation rate includes prep time per each hour worked. This is for Academic & Enrichment summer school classes. (Not athletics-camps-weight room, etc.)

Supervisors: Include activities such as camps and duties that require a teacher certified person on site for which we get summer school minutes.

Assistants: This category is for anyone who is helping the main teacher and is not doing planning or is not a certified teacher.

Classes are usually scheduled in minute blocks so the formula for any position is as follows:

$$\text{Hourly rate} \times (\text{minutes of class}/60) = \text{Compensation}$$

Example for a teacher – teaching a 45 minute class for 5 days:

$$25 \times ((45 \times 5)/60) = 93.75$$
