

Potosi School District
Facility Tour Survey

Revised 8-7-14

Please take a moment to read through these questions and provide us with your input. Thank you.

Your Name: _____ Email Address: _____

The facility concerns that exist consist of the following five areas. Please circle the ones that are most important to you when it comes to your community's school (Circle all that apply).

- a.) Energy efficiency (electrical, lighting, HVAC, insulation, etc.)
- b.) Ensuring the facility is in line with Code requirements and ADA compliance
- c.) Repurposing space to ensure we are best utilizing the facility to meet our student's educational needs
- d.) Safety and health
- e.) General updating and maintenance as necessary

(1 = lowest ranking, and 10 = highest ranking)

1. What is your overall impression of our facility? 1 2 3 4 5 6 7 8 9 10 (circle one)
2. What areas do you believe need attention? _____

3. Do you feel this school is an important part of your community and should it continue to exist?
Yes or No
4. Would you be willing to support improvements to our facility so that our school continues to exist and provide quality programming? Yes or No
(Comments) _____

5. Would you support the remodeling of our facility (using existing space) to incorporate a multi-purpose learning area (combining both libraries into one and increasing our technology in this space for large group student projects and learning activities)?
Yes or No
(Comments) _____

6. Would you support the remodeling of our facility (using existing space) to incorporate an auditorium (for classroom use, our plays, musicals, forensics, clubs, awards, ceremonies, concerts, solo ensembles, assemblies, etc.)? Yes or No
(Comments) _____

7. Would you support an addition to our HS gym to eliminate the numerous and serious scheduling problems? Yes or No
(Comments) _____

8. Please rank the following on a scale of 1 to 10 based on what priority you would give each:
A. Auditorium 1 2 3 4 5 6 7 8 9 10
B. Multi-Purpose Learning Area 1 2 3 4 5 6 7 8 9 10
C. Addition to our gym 1 2 3 4 5 6 7 8 9 10
9. Do you have any ideas that would help us to get the community involved with the strategic planning of our public school facility? _____

Thank you for taking the time to tour your school and completing our survey. The Board appreciates your time and input. Should you have additional questions or comments, please feel free to email or call the School District.
